ULSTER FOLK
MUSEUM

ACCESS

Accessible Route in Town Area

Start at Meeting Street then explore as follows - The Diamond > Green Road > Chapel Lane. Finish in Mill Street (some cobbled areas).

Access to the Countryside

Uneven and steep routes in Field, Wood and Hill areas. Mobility scooters available, ask at Tickets.

Many buildings have narrow entrances and low door frames. Please take care as you explore!

Changing Places and Accessible Toilets are available in Town – marked with these symbols:

MAKING

WEAVERS

You'll find our weavers at work with wool at the back of the Draper's Shop **31** or at the country linen loom. **39**

BASKETMAKER

Our basketmaker designs and weaves amazing willow creations – from baskets to boats – in his workshop. **20**

There will be at least three makers for you to meet at the Museum today.

PRINTERS

Our printers cut intricate original designs and assemble rows of perfect type at Baird's Print Shop. **16**

BLACKSMITHS

Follow the ring of the anvil to the forges **24** **54** or Spade Mill **44**, where our blacksmiths create beautiful modern craft using traditional methods.

CARPENTER

Our carpenter makes and repairs all kinds of wooden items for the home. Drop by their shop **6** and learn about the traditional tools they use.

BAKERS

Don't miss the taste of fresh soda or wheaten, straight off the griddle at the Rectory. **25**
Our bakers have honed their skills to cook over fire for you.

GROWING

KITCHEN GARDENS

We grow food and share knowledge through our patchwork of kitchen gardens. You can take part in these spaces with The Conservation Volunteers. Visit recent projects at Duncrun **48** , Coskhkib **43** and Corradreenan. **45**

HERITAGE BREEDS

The museum has a working farm, where our farmers nurture animals from distinctive heritage breeds. Meet pigs, cows, sheep, horses, donkeys, chickens, geese and goats as you explore our Field, Wood and Hill areas. 39 - 51

TREE NURSERY

Our partner, The Conservation Volunteers, grow native trees onsite to supply planting projects all over Ireland. You can see them at work and join in at the Tree Nursery (between 41 and 43 – please note this path is soft, uneven and steep in places).

LIVING HISTORY

Meet guides in character and explore what life was like. You'll often find them in the Town area, off Mill Street – check with our team when you arrive for today's performers. Step in to the past with a visit to Carruth's for sweets, **02** and a drink at McCusker's. **30**

LANGUAGES OF ULSTER

Uncover Ulster's rich linguistic heritage and the origins of how we speak now. Enjoy self-guided trails and special events (pick up a trail booklet at the Ticket Office).

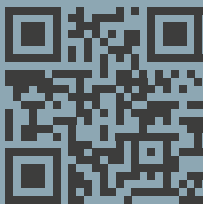

REAWAKENING

Supported by the National Lottery Heritage Fund, we plan to invest in new spaces and create new ways to link our past with a sustainable future.

We will enhance access to collections. We will convert currently inactive areas to dynamic spaces for schools and volunteers.

We will Reawaken the museum's purpose and potential as a resource for connection – to ourselves, to each other, and to the environment.

Visit the Project Hub ²⁷ to find out more and browse ulsterfolkmuseum.org/reawakening

GET INVOLVED

The Ulster Folk Museum is an environment and heritage resource for everyone.
